

You can't beat Gloucester for great food, whether you have a taste for fresh from the boat seafood enjoyed with water views or you're in the mood for Mexican steak. Sicilian pasta, gourmet fare, or tapas? You can find that, too. Gloucester boasts upscale bistros, casual eat in the rough spots, and everything in between. Just need a snack? Duck into a cozy coffee, tea & pastry shop.

By the time a lobster is of legal size, it will have molted (shed its shell)

**20-25 times**

averaging 4-5 molts a year.
