# Shop, Eat & Explore!

Whether it's a gift for a special someone, a souvenir to take home or a little something for yourself, you'll find a world of choices in Gloucester.

Looking for Antique maps? One of a kind housewares? Fabulous earrings to match that great new t-shirt you just picked up? From fun to funky, and from casual to classic- we have it all, just steps away from some of the most gorgeous waterfront scenery you've ever seen.

Of course, all that shopping is likely to make you hungry... don't worry, we've got that covered with dining options ranging from cozy coffee bars and homemade ethnic foods to upscale bistros.

You'll want to top it all off with dessert and a cool drink, perhaps while listening to live music at a waterfront tavern. Yes, we have that, too!
